# Model UN Video

# Miami Tournament Video

# Immigration

*Initial Question:*

—

- What is the purpose of borders?

## *This Town Hall:*

---

### *What this Town Hall isn't:*

- A policy debate
- A political discussion
- A discussion about Trump's border wall

### *What this Town Hall is:*

- A discussion about the moral values that come along with immigration.

## *Initial Questions:*

---

- Should we have a world without “borders” / without enforced borders?
- Is there value in separating people through borders and barriers?

# *American Angle*

---

- As an American, are you more concerned for humanity large, or for Americans?
- Should the American government treat Americans and non-Americans the same?
- What does that say about how you feel immigration should be dealt with?

## *Immigration:*

---

- Should we allow people in?
- Why or why not?

## *Jewish Angle*

---

- Considering the U.S. was extremely strict on Jewish immigration during the holocaust, which ended up costing thousands of lives, how does that impact our view?
- Should we be sympathetic for people escaping persecution as we once were?

## *Immigration and Morality:*

---

- Is there a fully moral way to go about immigration law?
- What is the most moral way to go about this?
- Should we prioritize morality over practicality?
